## ***Calvin Klein Eyewear Launches Spring 2026 Eyewear Campaign***

*Calvin Klein Eyewear* is launching the Spring 2026 eyewear campaign, featuring two new frames designed with *Calvin Klein*'s modern spirit and minimalist sensibility. Featuring a rounded, ultra-light titanium construction and subtle detailing, these new styles strike a balance between timeless minimalism and classic American design.

### **CK26106ST**

This sun style reimagines an iconic rounded silhouette with a raised bridge for a distinctive, versatile look. Crafted in titanium for exceptional durability, the frame features a laser-engraved *Calvin Klein* logo on the top bar and slim injected tips. Offered in four metallic colorways – Light Gold, Dark Gunmetal, Matte Gold and Matte Amber Gold – this style delivers timeless yet contemporary appeal.

### **CK26105T**

This optical style channels distinctive sophistication through a timeless yet contemporary round front, elevated by a raised top bar detailed with a laser-cut *Calvin Klein* logo. Crafted from lightweight, long-lasting titanium with sleek injected tips, this versatile design offers comfort without compromising style. Available in Matte Light Gold, Matte Dark Gunmetal, Gold and Amber Gold.

The *Calvin Klein* Eyewear Spring 2026 assortment is available worldwide at select retailers.
