TOM FORD Eyewear releases all new Winter Goggle (**FT1321**) this season just in time to hit the slopes! High style, high tech and athletic intensity merge with luxury design and confidence, core to the TOM FORD identity.

The style is marked by innovative, contemporary design and iconic signature details crafted from state-of-the-art materials. The **FT1321** ski mask is a spherical goggle with a sleek silhouette. The frame and elastic strap are black, featuring a large tonal TOM FORD logo. This new ski design is available with mirrored blue or photochromic lenses, which are 100% UV protectant. TOM FORD Eyewear, including **FT1321**, are all made in Italy.

The winter goggle, **FT1321**, is available on [TomFordFasion.com](https://www.tomfordfashion.com) and retails for \$870-\$950.
