KARL LAGERFELD UNVEILS NEW SUNGLASS STYLES FOR SPRING-SUMMER 2026

Inspired by Karl Lagerfeld's rock-chic heritage, the Spring Summer 2026 collection introduces two women's sunglass frames that exude confidence and refinement. The two models – featuring sleek silhouettes crafted from lightweight metal – that balance elegance with attitude while reflecting the brand's iconic aesthetics and sophistication.

KL366S – Available in dark silver, silver, amber gold, and rose gold.

Crafted from lightweight metal for a sleek, modern finish, this frame features an oval front and slim temples, where the KL Monogram adds a discreet yet elegant touch. Solid-toned lenses complete the look with a touch of glamour, creating a statement piece that remains true to Karl Lagerfeld's unmistakable aesthetics. Available in four options.

KL365S – Available in light gold, gold shiny, dark silver, and silver.

Graphic design meets refined craftsmanship in these statement sunglasses, whose frame is sculpted from ultra-lightweight metal. The iconic geometric front is complemented by lenses that radiate futuristic glamour, while the KL Monogram appears as a discreet metal detail on each temple. Available in four metal finish options.

The KARL LAGERFELD eyewear collection is available at KARL LAGERFELD boutiques, online at KARL.COM, at premium sun and optical retailers, and at specialty stores globally.
