LONGCHAMP EYEWEAR PRESENTS NEW-SEASON SUNGLASS SHIELD

The effortless Parisian spirit and unique aesthetics at the heart of Longchamp embrace bold new forms for Spring–Summer 2026 with a striking sunglass shield crafted from sustainable resins. Its distinctive shape reflects the Longchamp woman's expressiveness and confidence, revealing a refined avant-garde edge. Exclusive hues enhance the frame's sculptural silhouette, while the iconic Horse emblem stands as a signature of the Maison.

LO799S

This fashion-forward sun style is defined by a bold, oversized shield design and a sustainable, plant-based resin construction that conveys a modern, eco-conscious attitude. The frame's strong personality is elevated by the iconic Horse emblem on the front, complemented by refined logo lettering along the temples. Confident and unmistakably Longchamp, this standout sunglass style is offered in a selected palette featuring Black and Brick.

The Spring/Summer 2026 eyewear collection is available at select retailers and Longchamp boutiques, as well as online at www.longchamp.com.
