

THE ONLY RACE IS YOUR OWN  
REWRITE THE RULES WITH THE RAY-BAN FOR SCUDERIA FERRARI MIAMI EDITION  
SUNGLASSES

April 2026, Milan, IT – Drive through the unexpected with the Ray-Ban for Scuderia Ferrari Collection. United by a shared vision, the two unmistakable brands come together to champion racing history, continuing their longstanding collaboration with the release of a brand new model.

Alive with color and attitude, the ORB2228M F708EI sunglasses are designed to capture the electric energy and unmistakable spirit of Miami during race weekend. Crafted from sleek acetate, the bold silhouette stands out in a transparent blue frame that channels the city's vibrant, sun-soaked aesthetic, elevated with the iconic Scuderia Ferrari HP signature.

The lenses take center stage: a striking two-tone gradient that transitions from deep blue into vivid yellow, echoing Miami's glowing sunsets and neon-lit skyline. This dynamic color play enhances visual depth while delivering a distinctive, high-impact look - where performance meets bold design. A true statement piece, infused with light, movement, and adrenaline.

This especial-design is part of the Ray-Ban for Scuderia Ferrari collection: a capsule of new, special edition models, designed to commemorate the racing energy across the globe. Together, two inimitable brands challenge the unknown. Always with passion, always with style.

Rewrite the rules beyond the racetrack with the Ray-Ban for Scuderia Ferrari Miami Special Edition sunglasses, available online and through selected retailers.
